JUROR QUESTIONNAIRE

This is a Capital Murder case where the State is seeking the death penalty. You are a potential juror in this case. This questionnaire is designed to obtain information about your experiences, knowledge, views and opinions of various subjects connected to this case. The Court and lawyers will use your answers to assist them in questioning you. People in our community have different views and perspectives on many topics, and the same holds true for prospective jurors. Please understand that there is no "right" or "wrong" answers to the questions in this questionnaire. You are simply asked to provide honest complete answers. By the use of this questionnaire the jury selection process will be shortened. Later, during questioning by the attorneys, you will be given an opportunity to explain or expand your answers, if necessary.

Because this questionnaire is part of the jury selection process, you must swear that the answers you give are true to the best of your knowledge, and you must fill out the questionnaire by yourself. This is an official court document that will not be used for any other purpose. The information will not be disclosed to any unauthorized person.

There may have been media coverage regarding this case. If chosen as a juror you will have taken an oath that requires you to return a verdict, whatever that verdict is, on the basis of the evidence that you hear in the courtroom and not from some outside source. Therefore, there is nothing wrong with a prospective juror having heard of this case, or having heard of this defendant, however, it is not permissible if what you have heard causes you to have a preconceived opinion that the defendant is guilty or a preconceived opinion as to what punishment the defendant should receive.

Now that you know you may be a juror in this matter, you are instructed not to seek any information from any source about this case.

We anticipate evidence will begin on March 7, 2011 and last no longer than three (3) weeks.

Judge John Ellisor
122nd District Court
